Sec. 32, T. 30 S., R. 18 W.  
Beaver County, Utah

ACT-001-003

Dear Mr. Phillips:

The Division has had no reply from you since we visited your proposed mine on February 4th, 1976.

If you are continuing work on the re-activation of this old shaft, a notice of intent (MR-1) and reclamation plan (MR-2) should be filed as soon as possible. These forms have been enclosed along with the Utah Mined Land Reclamation Act.

As we mentioned during our trip to the mine we will assist in the preparation of the plan if you desire. Send us a draft of your proposal and we will make some suggestions or we can arrange a time to meet and discuss the plan.

We look forward to hearing from you on this matter in the near future.

Very Truly Yours,

Ronald W. Daniels  
Coordinator of Mined  
Land Development
